To,
The Superintendent,

Sir,

Installation of autom. Telephone in the cities of Bangalore and Mysore.

The Government in their order No. G.O.S. 394 dated 31st Jan., sanctioning the above scheme, have ordered that a charge of Rs 90/- per annum per instrument be recovered from the Government departments from the date of service from the automatic system. The necessary provision may be, therefore, kindly made in your budgets for the adjustment of bills for the marginally noted telephone installations which will be sent every month after the automatic telephone is installed as in the case of bills for lights and power.

If I do not hear from you agreeing to this arrangement within 10 days from the date of this letter, I will take it that you will not require these telephones connections and I will

allot the instruments [illegible]
your offices, to some one else.

The automatic telep
system is expected to be in Ser
in about four months from t
date.

I have the honour to
